

Present for meeting: Sue Shaprio, Grace Riario, Joana Goldfarb, Dina Kapzynski, Kelsey Detusch, Olivia Brush, Anne Friedle

Meeting (Via Zoom): October 29th @7PM

#### *Zoom Presentation*

- Sue and Olivia to redo some parts.
  - Need to update budget plans with 2021 budget plans **compared** to other school district libraries in Orange County.
- new presentation set for Nov. 4th at 4:30PM via zoom.

#### *The Vote*

- The committee has decided to aim to have the library vote in 2022 May
- Committee will continue to host fundraising events during the winter and following year

#### *Location Option for Library*

- Committee is impressed with the Otisville Community Center board, they have made a lot of progress and will create a space for not only families and the community, but the whole region, to prosper.
- However, committee is worrisome over the location of the building and:
  - No elevator (yet, and we don't have a timeline of when it'll be put in)
  - Route 6 is the best bet for a main campus; Otisville would be best for a satellite or starting point
    - We wish to be fair to all our community members who will take part in our library.

#### *Facebook Donate Button*

- IRS is behind in filing our committee as a 5013c; we can still take donations, but not on facebook just yet.
  - Sue was told it will happen in November.

#### *Events:*

##### **Halloween (Saturday, Oct. 31st)**

- Greenville VFW: 12-2PM (Cars show at 10AM/11AM)
- Anne, Joanna, Olivia, Kelsey (?) to be there.
  - Olivia's car will be used; theme to be revealed at the event; Anne to bring sign and table; each committee member brings a bag of candy; Joanna has hand sanitizer to hand out as well.

##### **Greenville Town Board Meeting:**

- Sue to send in letter to get committee on the agenda for sometime in the spring
- Once set up, Olivia and Kelsey use social media and emails to bring more people into the meeting.

##### **Winter Time Concerts**

- Dina still only has ~2 performers signed up and still waiting on responses from more.

- This event will move forward once the Facebook donate button is approved; the events will start in December if the 5013c goes through in November.

**Paint and Sip (zoom)**

- Anne is working with art teacher from Minisink on this
- Moving forward: need to pick out a picture for all to paint and what sort of supplies will be needed.

*Miscellaneous:*

- Joanna brought up the idea of a (zoom) Wine Tasting
